

***Blessed is the influence of one true, loving human soul on another.***"--George Eliot

*Pick up a VIPS application by [clicking here](#) or from the school office, fill it out, attach proof of a negative TB test and return to the PTSA drawer in the office. Everyone is checked for Megan's Law and this is only done once a week for the entire district. Get your applications in as soon as possible so you are ready when the teachers need you! \*FYI - TB tests are valid for 4 years and chest x-rays are valid for 8 years. You must fill-out a new application when your TB test expires.*

*For more information contact us at [vips@newcombptsa.org](mailto:vips@newcombptsa.org)*
